What parts of San Joaquin County should future population and employment growth be encouraged? Within the seven cities or in rural areas?

How should your community change or not change?

What types of housing options do you prefer?

The public is invited to tell county officials what they would like to see for the county during the next 20 years at a series of community workshops. Meetings scheduled for the north county:

- April 5: Davis Elementary School multipurpose room, 5224 E. Morada Lane, Morada.
- April 19: Lodi Grape Festival grounds, Jackson Hall, 413 E. Lockeford St., Lodi.
- May 2: Lodi Elks Lodge, 19071 N. Lower Sacramento Road, Woodbridge.
- May 3: Thornton Library, 26341 N. Thornton

Road, Thornton.

All meetings will begin at 7 p.m. Hearings will also be held in April in Stockton, Manteca, Tracy, Escalon, Linden, Farmington and Ripon.

Meetings will also be scheduled for the Acampo and Lockeford-Clements areas.

For more information, see the General Plan website, www.sjcgpu.com.
