CONTENTS

Acknowledgments

Chapter 1 Introduction

What is a General Plan? Section 1.1
Using the General Plan Section 1.2
Regional Setting Section 1.3
Planning Boundaries and Areas Section 1.4
Purpose of the Background Report Section 1.5
Organization of the Background Report Section 1.6
Format of the Background Report Section 1.7

Chapter 2 Planning Area and Community Profiles

Planning Area and Community Area Profiles Section 1.1
The Delta Section 1.2
Escalon Section 1.3
Lathrop Section 1.4
Linden Section 1.5
Lockeford Section 1.6
Lodi Section 1.7
Manteca Section 1.8
Mountain House Section 1.9
Ripon Section 1.10
Stockton Section 1.11
Thornton Section 1.12
Tracy Section 1.13

Chapter 3 Demographics, Economics, and Fiscal Conditions

Countywide Demographics Section 3.1
Demographics by Planning Area Section 3.2
Market Overview Section 3.3
Fiscal Conditions Section 3.4

Chapter 4 Land Use

Existing Land Use Section 4.1

Annexation and Development Trends Section 4.2

Summary of Existing General Plan Section 4.3

Existing General Plan Holding Capacity/Buildout Potential..... Section 4.4

Mountain House Specific Plans Section 4.5

Development Title and Zoning Map Section 4.6

Spheres of Influence and the Local Agency Formation Commission (LAFCO)..... Section 4.7

Airport Land Use Plans and the Airport Land Use Commission..... Section 4.8

City General Plans Section 4.9

Other Agency Plans Section 4.10

Chapter 5 Climate Change

Climate Change Overview Section 5.1

Greenhouse Gas Emissions Inventory..... Section 5.2

Effects of Climate Change and Adaptation Section 5.3

Chapter 6 Agriculture

Regulatory and Compensatory Setting Section 6.1

Urbanization and Agricultural Land Section 6.2

Farms and Farmers..... Section 6.3

Agricultural Commodities and Values Section 6.4

Agriculture and the Local Economy Section 6.5

Agricultural Resources: Soils, Water, Land Markets Section 6.6

Chapter 7 Housing

Existing Housing Needs Section 7.1

Future Housing Needs Section 7.2

Resource Inventory Section 7.3

Potential Housing Constraints..... Section 7.4

Existing Housing Element Evaluation Section 7.5

Chapter 8 Transportation and Circulation

Roadways Section 8.1

Bus Transit Services Section 8.2

Passenger Railway Facilities Section 8.3

Non-motorized Transportation Facilities Section 8.4

Aviation Facilities Section 8.5

Port Facilities Section 8.6

Goods Movement Section 8.7

Transportation Coordination with Land Use Section 8.8

Transportation Demand Management Section 8.9

Transportation System Management Section 8.10

Costs and Revenues for Major Improvements Section 8.11

Chapter 9 Public Services and Utilities

Water Supply and Delivery Section 9.1

Wastewater Collection and Disposal Section 9.2

Storm Drainage and Flooding Section 9.3

Solid and Hazardous Waste Section 9.4

Utilities and Major Utility Corridors Section 9.5

Law Enforcement Section 9.6

Fire Protection Section 9.7

Emergency Medical Services Section 9.8

Schools and Child Care Section 9.9

County Services Section 9.10

Infrastructure Financing Analysis Section 9.11

Chapter 10 Natural Resources

Water Resources Section 10.1

Energy and Mineral Resources Section 10.2

Oil and Gas Resources Section 10.3

Biological Resources Section 10.4

Chapter 11 The Delta

Overview of the Delta Section 11.1

Importance of the Delta Section 11.2

Physical and Regulatory Environment Section 11.3
 Biological Environment..... Section 11.4
 Human Environment Section 11.5
 Projected Changes in the Delta Section 11.6
 Planning Processes to Address Changes, Risks, and Conflicts Section 11.7

Chapter 12 Scenic Resources

Scenic Resources and Scenic Routes Section 12.1

Chapter 13 Recreation and Cultural Resources

Recreation and Open Space..... Section 13.1
 Paleontological, Archeological, and Historical Resources Section 13.2

Chapter 14 Safety

Geologic and Seismic Section 14.1
 Flood Hazards..... Section 14.2
 Fire Hazards Section 14.3
 Human Hazards Section 14.4
 Airport Safety Section 14.5
 Air Quality Section 14.6

Chapter 15

Relevant Acoustical Background Section 15.1
 Ground Transportation Related Noise Section 15.2
 Aircraft Related Noise Section 15.3
 Non-Transportation Related Noise..... Section 15.4
